Sir:

REQUEST TO WITHDRAW IDS FILED APRIL 23, 2003

Applicant hereby requests that the IDS filed April 23, 2003 (yesterday) be withdrawn (rescinded) and not considered by the Examiner.

It has just be discovered that the certification made pursuant to 37 CFR 1.97(e) in the IDS filed April 23, 2003 applies to only four of the six references listed on the corresponding PTO-1449. Accordingly, it is respectfully requested that the IDS filed April 23, 2003 be withdrawn immediately and not considered by the Examiner.

Instead, two new Information Disclosure Statements have been filed herewith. The first IDS filed herewith lists the four references to which the certification applies, and the second IDS (with no certification) filed herewith lists the two references to which the certification was not applicable.
